PATH A - 2009 CHAMPIONS

LAGUARDIA AIRPORT- 2009 RUNNER UP

Congratulations to Path A for their second 1st place trophy, their first 1st place trophy was won in 1998, (our first tournament ever). And congratulations to LaGuardia Airport for their first trophy. It was a great contest and we even beat the rain by a couple of rain drops!

Thank you to all 22 teams that participated this year, it was an incredible turnout. Thank you to Superintendent Michael Fedorko and Deputy Superintendent Art Cifelli for attending and playing in the tournament, it was well appreciated by us all. Thank you to Staten Island Councilman Vincent Ignizio for his kind words and attendance. Thank you to our PBA, SBA, DEA and LBA for the financial and moral support.

As you know, the proceeds from this tournament, approximately \$5000.00 will be donated to the USS New York's Health and Education fund for the ships crew. The hull of this ship was forged from the steel of our fallen towers, the steel that is stained with our heroes blood. This ship should carry a special meaning to all of us.

Some interesting facts about the USS New York, this is not the first USS New York, the first USS New York was commissioned on September 11th 1911, and this ships contract was signed at exactly 9:11 am.

*If you have any pictures from the tournament could you please download on a disk and send to me at Teterboro, as I'm in process of creating a website 37Heroes.org which I'd like to display. My sincerest thanks to you all for another great year.
Lou DeFelice- Tournament Coordinator*
