TO: ALL COMMANDING OFFICERS

RE: Reserve Military Personnel

Currently there are Port Authority Police personnel serving their country overseas. A military deployment can cause serious stress on veterans and their families. With this in mind, the Port Authority PBA is reaching out to all commands asking for your assistance to obtain the names of all police personnel who are veterans or are currently serving in the Armed Forces Reserves.

Our goal is to be able to reach out to all of the families of our deployed personnel as well as being a source of support to our veterans by providing key services such as getting information on how to join veterans organizations, assisting in resolving payroll or health benefits issues while deployed, and lending assistance or supplies to our members overseas.

I would like to thank you in advance for your cooperation in this matter. Your roster of veterans can be sent via interoffice mail to P.O Frank Emblen at the GWB Command or P.O. Josh Maarleveld at the PATH Command. You can contact one of our military liaisons listed below at any time if you have any questions.

Regards,

P.O. Josh Maarleveld
